Sciences Po 2020–2023
B.A. in Economics and Political Science (*Cum laude*) GPA: 4.0

Research Experience

Predoctoral Fellow in Economics | University of Zurich 2025–Present
Supervisor: Hans-Joachim Voth
Work on projects in economic history and cultural economics, working on computer-vision–based image analysis and the construction of linked archival, textual, and spatial historical datasets.

JPE Replicator | University of Chicago 2025–Present
Supervisor: Florian Oswald
Conduct reproducibility audits of accepted articles at the *Journal of Political Economy* under editorial supervision.

Research Assistant | Sciences Po June–July 2025
Supervisor: Roberto Galbiati
Collected and digitized archival text-data into a structure dataset for an economic history project.

EJ Replicator | Royal Economic Society 2024–July 2025
Supervisor: Florian Oswald
Conducted reproducibility checks for accepted articles at *The Economic Journal* under editorial supervision.

Research Assistant | Sciences Po June–July 2024
Supervisors: Roberto Galbiati, Aurélie Ouss (UPenn)
Collected and digitized archival and administrative data for a research project in political economy.

Research Assistant | CEPREMAP (OBE) June–July 2023
Contributed to the construction of a database on well-being economics researchers in France.

Research Assistant | University of California, Berkeley Spring 2023
Assisted in quantifying global arms trade in 19th-century France from archival sources (PATH project).

Coursework (Graduate Level)

Core Sequences: Econometrics I–III; Microeconomics I–II; Macroeconomics I–III

Selected Fields: Economic History; Political Economy; Urban & Regional Economics; International Trade

Methods: Computational Economics; Programming in R, Julia, and Git

Methods & Programming

Mathematical Preparation: Probability Theory; Linear Algebra; Optimization; Dynamic Programming

Programming: Python, R (Advanced), Stata, Julia (Intermediate)

Tools: Git, L^AT_EX, Google Vertex AI, OCR, GIS, reproducible workflows
